## ***Super Suite "Your Complete Auction Software Solution"***

***More than 25 years Experience as the Industry Leader in Auction Software Development***

### **Super Sell**

#### **Auction Clerking Software**

OPERATES ON IBM-PC and COMPATIBLES  
MULTI USER AND SIMPLE TO OPERATE

- Uses the business industry standard computer. Runs on Windows-XP, Windows Vista/7, Windows 8
  - Designed by & for auctioneers with LIMITED PREVIOUS COMPUTER EXPERIENCE.
  - Compatible with Inventory Master for a dynamic range of software solutions
- Requirements:
- MS-Word required if importing/exporting data with Ms-Word '.doc' files
  - MS-Excel required if importing/exporting data with Ms-Excel '.xls' files

### **Inventory Master**

#### **Auction Inventory Software**

- Data in the Cloud, access your inventory from your PC located anywhere there is an internet connection.
- Barcode item support for automatic lookups
- Creates web html files for listing your inventory on the web
- Import/export to/from Super-Sell inventory
- Export catalog to MsWord
- Manage item photos
- Manage Live Store Page
- Compatible with Super Suite auxillary programs EZ-Catalog and View Images
- Local data hosting option available

## ***Auxillary Programs***

### **Phone Bids**

- Generate clerking sheets for your staff operating the phones on auction day
- Hassle free phone bidding setup with options for specific staff / client assignemnts

### **View Images**

- Video display / slideshow of auction items
- Scrolls through every lot in the auction, compatible with multiple images of each lot (if available) recreating your online catalog for your live attendees

### **EZ-Catalog**

- In conjunction with Inventory Master designed to automatically generate Adobe InDesign page files for easy paste up of printed catalog
- Unique in the industry, save hundreds of hours and dollars spent on outside graphic design every year
- Adobe InDesign version CS 5.5 required

### **EZ-Online Auction**

- Register bidders and take absentee bids over the internet, eliminating time and mistakes inherent in manual entry
- In-house Live Internet Bidding, eliminate dependency on outside companies like Artifact and Live Auctioneers for your live bidding needs

***Super Suite*** Includes All of the Above Programs, One Price
